

Welcome to Michigan 2009
September 3-7

Programs for Parents

The Welcome to Michigan Program is a University of Michigan tradition that offers further in-depth examination of the opportunities initially presented during the orientation program. Welcome to Michigan is planned collaboratively by the Office of New Student Programs and the Office of Student Activities and Leadership, and is a campus-wide series of events designed to welcome new students to the University and includes the participation of returning students, faculty and staff.

If you are accompanying your son or daughter to Ann Arbor to assist with move-in, we invite you to attend some Welcome events as well! Events especially for or recommended for parents and family members are listed here, and updates are available on our website, http://www.onsp.umich.edu/parents_family/welcome.html
